

HOPE AND HELP

Gonzalez Family Benefit

Oi Yin Gonzalez is 39 years old and was recently diagnosed with pancreatic cancer. She lives in Lower Providence Township with her two children, Sienna -10 and Derek -7 who both attend Woodland Elementary School in Methacton School District. Three years ago Oi Yin lost her husband to cancer and now as a widow, she is facing cancer herself. With mounting medical expenses and concern for her children, we are hoping to relieve some of the stress on the Gonzalez family by organizing a benefit in honor of the family and their relentless struggle with cancer. With this benefit we hope to raise funds to pay for Oi Yins medical expenses while battling pancreatic cancer. Any remaining funds will be placed in a trust for her children.
